Monthly Performance Report (Sacramento 4 Kids)

We noticed an overall traffic growth in the campaign for the month of June which is a result of our latest optimization efforts to increase the visibility of your website in the search engines.

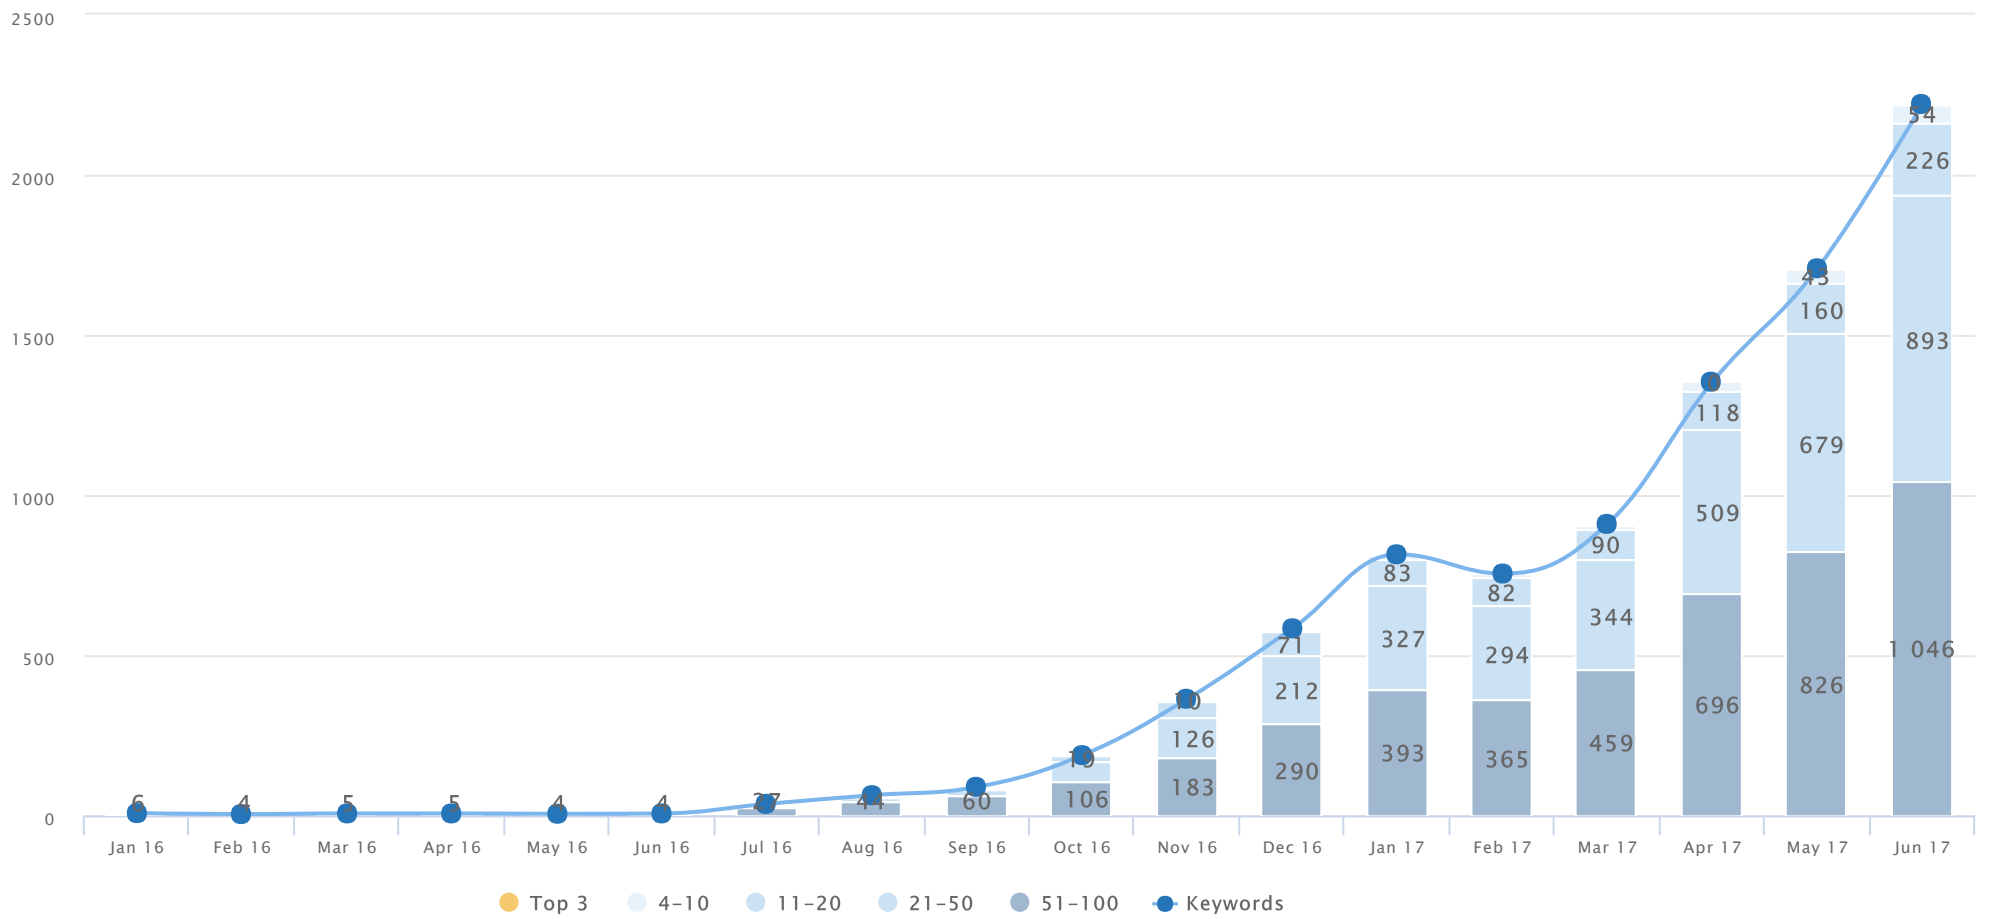

Our next step is to continue with the offsite optimization and focus on minimizing the funnels drop-offs. This section presents the overall keyword ranking progress from the start of the campaign. For the next month, we plan to continue our optimization efforts and focus on the keywords which are not currently in Top 10.

Listed below are the organic keyword growth and organic traffic growth charts.

GOOGLE ANALYTICS GOAL COMPLETION

Goals measure how well your site or app fulfills your target objectives. A goal represents a completed activity, called a conversion, that contributes to the success of your business. Examples of goals include making a purchase (for an e-commerce site), completing a game level (for a mobile gaming app), or submitting a contact information form (for a marketing or lead generation site).

P.S. You have not set any goals as of yet.
